Object: Letter of Commitment for TROPHELIA Europe 2008

Dear Colleagues,

Thirteen countries have expressed interest in participating in TROPHELIA Europe 2008, the first student food innovation award in Europe. I am honoured to be the president of the jury, and I am confident that TROPHELIA Europe will become an engine to stimulate food product innovation in Europe.

Should you wish to be officially registered for the 2008 competition, I would invite you to complete and sign the attached Letter of Commitment and return it to me by 15 May, complete with the registration fee.

I am looking forward to meeting the selected student teams at the SIAL Exhibition on 20 October.

Yours sincerely,
